

2018 Sales Program

1. The Sales Program. Menusifu is offering its new 2018 sales program to its current and new customers, effective February 19, 2018 (“Sales Program”). Please refer to the following content for the details of this Sales Program.

2. Promotional Purchase of Menusifu POS Software. Under the new Sales Program, Customer may purchase one (1) new Menusifu POS Software for tablet ordering at \$800 and get a gift set that includes the following products at no additional charge (“Promotional Purchase”):

- One (1) Menusifu POS System
- One (1) Receipt Printer
- One (1) Cash Drawer
- WeChat and Alipay payment services without monthly fee (Customer must submit the ACH Payment Form as required)

3. Additional Purchases. If Customer purchases any additional Menusifu products in addition to the Promotional Purchase of Menusifu POS Software, such additional purchases must be made at Menusifu’s list pricing then in practice.

4. Qualifications for Promotional Purchases. In order to qualify for the above Promotional Purchase, Customer must pay for the following services:

- a) One-time fee for menu creation and setup at \$395/store;
- b) An Annual Maintenance Fee for Menusifu’s standard Maintenance Services as set forth below (whichever is applicable):
 - **Annual Maintenance Services A:** If Customer has purchased 4 or less terminals for the Menusifu System, Customer shall pay Menusifu an Annual Maintenance Fee at \$240/store for the Maintenance Services to cover the following: First-time Menu correction upon delivery of Menusifu System, menu change (if changes are less than 50% of the original menu), unlimited online training, unlimited online support, unlimited Software Updates and Remote Report setup on cell phones. The above Annual Maintenance Fee can be waived *only if* Customer agrees to bundle Menusifu's Credit Card Payment Services with its Promotional Purchase of Menusifu POS Software. If Customer decides to stop using Menusifu’s credit card payment services at any time, Customer agrees to reinstate its Maintenance Services immediately and authorize Menusifu to invoice it for the Maintenance Fee in effect on the date of such reinstatement.

- **Annual Maintenance Services B:** If Customer has purchased 5 or more terminals for the Menusifu System, Customer shall pay Menusifu an Annual Maintenance Fee at \$380/store for the Maintenance Services to cover the following: First-time Menu correction upon delivery of Menusifu System, menu change (if changes are less than 50% of the original menu), unlimited online training, unlimited online support, unlimited Software Updates and Remote Report setup on cell phones. The above Annual Maintenance Fee can be waived *only if* Customer agrees to bundle Menusifu's Credit Card Payment Services with its Promotional Purchase of Menusifu POS Software. If Customer decides to stop using Menusifu's credit card payment services at any time, Customer agrees to reinstate its Maintenance Services immediately and authorize Menusifu to invoice it for the Maintenance Fee in effect on the date of such reinstatement.
- **Annual Maintenance Services C:** If Customer has more than 3 stores using the Menusifu System, Customer shall pay Menusifu an Annual Maintenance Fee at \$780/store for the Maintenance Services to cover the following: First-time Menu correction upon delivery of Menusifu System, menu change (if changes are less than 50% of the original menu), unlimited online training, unlimited online support, unlimited Software Updates and Remote Report setup on cell phones. The above Annual Maintenance Fee can be waived only if Customer agrees to bundle Menusifu's Credit Card Payment Services with its Promotional Purchase of Menusifu POS Software. If Customer decides to stop using Menusifu's credit card payment services at any time, Customer agrees to reinstate its Maintenance Services immediately and authorize Menusifu to invoice it for the Maintenance Fee in effect on the date of such reinstatement.

5. Optional Accessories and Hardware Upgrades.

- a) Accessory Set: \$100/set including the following items:
 - One (1) one-line Caller ID
 - One (1) Set of Keyboard and Mouse
 - One (1) Port Switch
- b) Receipt Printer at \$220/each; Kitchen printer at \$250/each
- c) Upgrade the Standard All-in-One Menusifu POS System to i5 CPU: \$400/each

6. Program Modifications. The Sales Program is standard and made available to all Menusifu Customers as of the effective date above. No change to the Sales Program is acceptable unless specifically approved by Menusifu. Menusifu reserves the right to modify the Sales Program at its sole discretion.
